VARA
Virginia >> Automotive Recyclers Association

The Virginia Automotive Recyclers Association is an organization created to be a voice and resource for auto recyclers in Virginia. Our members come from all over the state and represent a range of salvage yards big and small. Our goal is to develop Virginia as a productive place to recycle automobiles all while protecting its valuable natural resources.

Direct Membership: Any individual, firm, partnership or corporation engaged in the legal business of purchasing motor vehicles for the purpose of automobile recycling which includes dismantling such vehicles for the purpose of recycling, salvaging and sale of parts from motor vehicles as a significant or material part of the entity's business. (Voting; Full Benefits)

Associate Membership: Any individual firm, partnership, or corporation engaged in the business of selling new motor vehicle parts, manufacturers of equipment, supplies or services to the recycled automotive parts industry. (Non-voting)

VARA The Voice of Virginia Automotive Recyclers

The Virginia Automotive Recyclers Association is deeply committed to meeting the needs of the membership and elevating the professional automotive recycling industry.

The Virginia Automotive Recyclers Association is an organization created over 30 years ago to be a voice and resource for auto recyclers in Virginia. Our members come from all over the state and represent a range of salvage yards big and small. Our goal is to develop Virginia as a productive place to recycle automobiles all while protecting its valuable natural resources.

Members benefit from our long-standing working relationships with the Department of Motor Vehicles (DMV) and the Department of Environmental Quality (DEQ), our track record of working with elected officials in Richmond and our overall promotion of the industry.
